Our mission

- Nilüfer Anadolu İmam Hatip Lisesi set out to raise generations that keep up with the developing world conditions by preserving their national and spiritual values, contribute to humanity affectively and intellectually, and who are inquisitive and sharing.

Our vision

- Nilüfer Anadolu İmam Hatip Lisesi aims to educate young people who are inquiring, interactive interdisciplinaries, innovative, knowledgeable, emphatic and aware of cultural heritage.

About Nilüfer İmam Hatip High School

- Nilüfer Anadolu İmam Hatip Lisesi founded in 1996 by Turkish Ministry of Education. It has been maintaining educational activities for foundation date. The school has started the journey of IB in 2019 and accredited in 2021 both MYP and DP.
- It is the first and the only state school which implements IB MYP and DP in Turkey.

- As of the 2023-2024 academic year, three separate programs are being successfully implemented in our school: IB diploma program (DP), IB middle years program (MYP), and Turkish national program.
- Our school is project school and accepts the students via a national central exam. In addition to this DP starts on grade 10th according to our admission policy including some criteria. Students are expected to be successful as both academically and social attitudes. It is checked whether the student has achieved English language proficiency.
- Most of our graduate students are successful in the fields of medicine, engineering and law and are placed in leading universities of Turkey.
- Our school takes part in national and international scientific and social responsibility projects and competitions, and also stands out in eTwinning and Erasmus interaction and student exchange programs.
